Connection
a journey of discovery

3 to 5 October 2018

National Library of Australia Canberra

A conference for accounting, business, economics and legal educators
With over 30 presentations and workshops, there will be many opportunities to learn new classroom strategies, update your knowledge and skills in business education, and network with colleagues.

Registrations opening early term two www.bea.asn.au

Keynote speakers

Emeritus Professor Rosalind Croucher AM

President, Australian Human Rights Commission

'The Role of the Human Rights Commission as Australia's national human rights institution'

Alex Heath

Head of Economic Analysis, Reserve Bank of Australia

'Who does What and Why? Trends in the Australian Labour Market'

Visits

Enhance your learning and teaching through tailored curriculum visits to:

- High Court of Australia
- Parliament House
- National Film and Sound Archive
- Museum of Australian Democracy

Masterclass

Masterclass on Evidence-Based Management conducted by the College of Business & Economics, Australian National University will be provided free to all participants on Wednesday 3 October.

Canberra is a great place to bring the whole family for a holiday break in October with award-winning restaurants, iconic national attractions and scenic outdoor adventures. The complimentary National Capital Teachers Pass provides delegates with free access to participating National Capital attractions whilst visiting Canberra. Conference social events and excursions will also be offered as an accompanying person registration who register early.
