LOGGING IN TO THE BETA WEBSITE
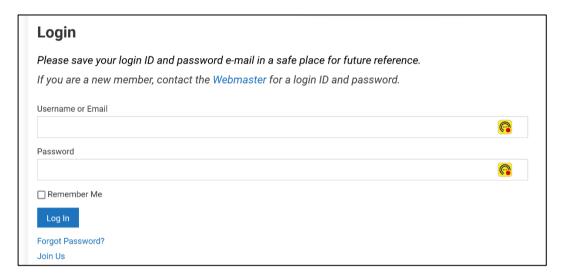

1. Have your login details with you (ID and password). Please note that you can only log in with the ID. You CANNOT use any e-mail addresses.

2. Go to the website: https://betasa.asn.au/

3. Go to the login page.

4. Select the Login/Out – this will take you to the login page:

5. Please note again that you CANNOT use e-mails to log in. You must use the ID issued by the website. If you would like a new password, you can only change this *after* you have logged in. (Think about that one for a couple of seconds!!)

6. Use the ID and password you were issued.
